## OBJECTIVE

I am a driven, passionate developer with an eye for innovation and efficiency looking to utilize my analytical perspective and months of intensive, hands-on learning to develop database-focused software.

## TECHNICAL SKILLS

### Languages:

C#, HTML5, CSS3

### Testing Tools:

Postman, Unit Tests

### Databases:

Sql Server, ASP.NET, MVC

### Operating Systems:

UNIX, Windows 10

### Office tools:

MS Office (Word, Excel, Power Point, Outlook)

### Web Technologies:

XML, Webservices, Web APIs

## PROFICIENCIES

- Customer service
- Critical thinking
- Problem Solving
- Organization
- Rapid learning
- Communication
- Leadership
- Results-oriented
- Flexibility
- Responsibility
- Mediation

## EDUCATION

### Eleven Fifty Academy

*February 2020 - August 2020*

Software Development Part-Time Immersive Bootcamp

## PROJECTS

### Charcoal Companion

<https://github.com/abramepithey/CharcoalCompanion>

- Capstone ASP.NET MVC project that showcases a wide variety of front and backend skills and methodologies, including Entity Framework, RESTful architecture, and a push towards a user-managed system

### Flopify

<https://github.com/epalamarevic/Flopify>

- Team-based ASP.NET web API modeled after a simple music app, with a focus on both API fundamentals and collaboration best-practices

### Terminal Hacker App

<https://github.com/epalamarevic/Flopify>

- Utilized C# and .NET framework to create a simplistic version of the hacking minigame from the Fallout series of video games

### Personal Portfolio Website

[abramepithey.github.io](http://abramepithey.github.io)

- Utilized HTML 5, CSS 3, Bootstrap 4, and jQuery to design & build my own personal website

## EXPERIENCE

### Director of Internal Growth (January 2019 - Present)

*Chick-Fil-A Broad Ripple, IN*

- Promoted to Manager after serving as a Team Member from January 2019 to December 2019, and then promoted to Director after serving as a Manager in April 2020.
- Focus on guest feedback and store-wide self-assessments
- Collect information and leverage towards better team practices
- Lead in the complete closing of the store for the night
- Carefully count and log cash throughout each shift
- Direct the use and upkeep of the majority of technological aspects in the store
- Interview new potential hires
- Observe State regulated mandates for sanitary preparation of foods
- Maintain a clean and organized 'Front of House'
- Provide a customer-first experience for our guests
- Work to take on more roles and responsibilities
